Maharashtra, April 11

Fake Shiv Sena, a fake nationalist party and the remnant of the Congress party

Earlier the Shiv Sena and the NCP were half in their size and both of them together have halved the Congress also.

The future of the alliance against the BJP is very clear- it will split right after the election due to acrimony

In the last 10 years Modi Ji uprooted Naxalism from Maharashtra, Bihar, Jharkhand, Odisha, Telangana and Andhra Pradesh by the Modi Ji-led BJP government.

Once Balasaheb Thackeray demanded to change the name of Aurangabad to Shambhaji Nagar, but after we did that there was no smile of contentment on Uddhab Thackeray's face

Honorable Union Minister of Home and Cooperation Shri Amit Shah today addressed a massive rally at Nanded in Maharashtra.

Speaking at the rally Shri Shah said that this is an election to re-elect Modi Ji. Every vote cast in favour of the BJP candidate will make Modi Ji win. In the last two terms, Modi Ji has secured and enriched the nation. Manmohan Singh left India as the 11th largest economy and Modi Ji led it to make the fifth largest economy. Make Modi Ji the Prime Minister for the third term he will certainly make Bharat the third largest economy.

The three parties that are contesting us in Maharashtra are a fake Shiv Sena, a fake nationalist party and the remnant of the Congress party. Earlier the Shiv Sena and the NCP were half in their size and both of them together have halved the Congress also. Can the three parties which are half of their original size benefit Maharashtra?

It is like an autorickshaw that has three tyres but its gearbox belongs to Fiat and the rest of its parts are made of Mercedes. Its future is clear from the very beginning. After the election, they will split due to acrimony.

On the other hand, there is the NDA, the band of Patriots under the leadership of Prime Minister Narendra Modi ji.

Kharge Ji asks what the people of Maharashtra and Rajasthan have to do with Kashmir. Kharge Ji does not know that every child in Nanded is ready to fight for Kashmir. Congress party was protecting Article 370 for 70 years. Modi Ji removed this Article and integrated Kashmir with Bharat forever.

During the Sonia Manmohan rule over 10 years every other day infiltrators from Pakistan would conduct terror attacks in India. But Manmohan Singh never said a word against it. But Modi Ji taught Pakistan a befitting lesson with surgical and air strikes 10 days after the terror attacks. Modi ji has sent the message across the world that if someone messes up with our international borders and the armed forces they will face the consequences.

Earlier Naxalism was spread to some areas of Maharashtra. But during the last 10 years, Naxalism has been uprooted from Maharashtra, Bihar, Jharkhand, Odisha, Telangana and Andhra Pradesh by the Modi Ji-led BJP government. For 70 years the Congress party kept the issue of building the Ram Temple hanging. But during Modi Ji's second term the judgement of the Ram Temple was passed, Modi Ji laid the foundation of the Ram Temple and also consecrated the Ram Temple. As a result on the 17th, we are going to witness a Ram Navami in five hundred years in which Prabhu Ram will be in his abode and not in a tent. Congress boycotted the consecration of the Ram Temple and also expelled the people from the party for attending the Ram Temple consecration ceremony.

Not only the Ram Temple but also the Kashi Vishwanath Corridor, Kartarpur Corridor and Mahakaal Corridor were accomplished, but the Somnath Temple was built with gold again by Modi Ji. I want to ask Sharad Pawar Ji that he was with the UPA for 10 years but what did he do for Maharashtra? I want to tell you that in 10 years they gave Rs.1.91 lakh crore to Maharashtra. Modi Ji increased it to Rs.7.15 lakh crore in 10 years. Along with it, Rs.3.90 lakh crore has been given for the development of infrastructure. Also, Rs.75,000 crore for national highways, Rs.2.10 lakh crore for railways, Rs.4,000 crore for airports and Rs.1 lakh crore for special infrastructural projects. For the poor 1.16 crore farmers have been given Kisan Samman Nidhi, 1.20 crore families have been given piped drinking water, 1 crore beneficiaries were given health insurance coverage up to Rs.5 lakhs, and more than 70 lakh toilets have been built. Along with that 60 crore poor have been given free food grains every month, 51 lakh women have been given gas connections, 20 lakh homes were built, AIIMS was given to Nagpur, IIT was given to Nagpur, IIIT was given to Pune, and IIM in Nagpur. But Sharad Pawar could not do anything even after remaining in office for so long. In Nanded 300 kilometres of national highway have been built, the Nanded airport has been revived, Jalna Nanded Expressway connecting Mumbai Nagpur Balasaheb Thakre Sammriddhi Expressway has been sanctioned. With an expenditure of Rs.86000 crore Nagpur Goa Shaktipeeth Expressway, with Rs.12,000 crore Krishna Marathwada Irrigation scheme approved and Rs.2300 crore flood management scheme was undertaken. The name of Aurangabad has been changed to Shambhaji Nagar and the name of Usmanabad has been changed to Dharashiv by the BJP.

Look at the irony. Once Balasaheb Thackeray demanded to change the name of Aurangabad to Shambhaji Nagar. But after we did that there was no smile of contentment on Uddhab Thackeray's face. This election is to make a Developed Bharat by 2047. Modi Ji wants to create a Bharat that no one would dare to challenge.
